## Online Examination Instructions for Students-Final Exams Spring 2020

### Prior to Examination

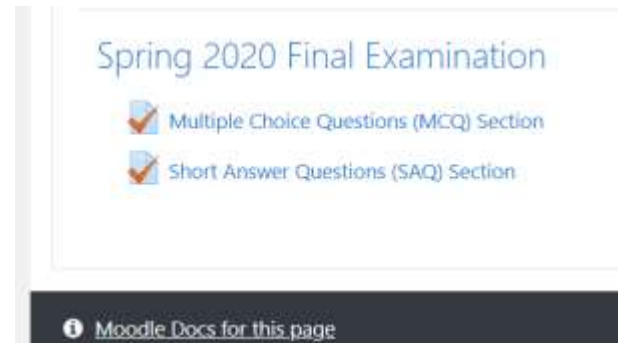

You must make sure;

1. the electronic device used to access university LMS is fully charged and with battery backup for entire exam duration (i.e. 2 hours);
2. the availability of uninterrupted internet access;
3. login to university LMS with correct User ID and secret password; and
4. be prepared to respond to 60 MCQs and 3 SAQ in 120 minutes. Exam portal will automatically terminate exactly 120 minutes after logging-in and attempt is a single attempt. You cannot log in again.

### During the Examination

You must make sure that you;

1. open exam portal on LMS according to exam schedule;
2. You will find two tabs in the portal “Multiple Choice Questions (MCQ) Section” and “Short Answer Questions (SAQ) Section-as shown in the provided figure.
  - a. Start the exam with MCQs Section-time limit for this section is 60 minutes.
  - b. Once the MCQ Section time is completed, you have to move on the SAQ section after 60 minutes as this section will no longer be visible.

It is recommended that you should:

- a. read the question statements carefully;
- b. understand the demand of the question;
- c. select the best option (in case of MCQ);
- d. type response in prescribe field according to the demand of the question (in case of SAQ); and
- e. keep the time, maintain the pace and avoid distractions to complete the exam in time. On average, time to respond to each MCQ is 60 seconds and to each SAQ is 20 minutes.

### After the Examination

# NUR International University
